

Charity Auction of Goods and Promises

Dunsford Village Hall, November 23rd 7pm

We are having an Auction in November. The idea is for people in the village to offer something that can be auctioned on the night

Would you like to donate something for funds for Dunsford Village Hall?

It could be a skill you have or your time to do something. Such as, an experience like a ride in a classic car, an offer to babysit for a night, a stay in your B&B, an item of homemade Art/craft, Homemade birthday cake to order, a cooked meal for a family, chauffeuring for a night, a few hours of gardening, or anything else you think people would buy for charity.

There is an option to donate only 50% of the sale price to the hall and keep the other half for yourself so if you want to donate a more valuable item that works for us both.

You could also donate a small item that can be put towards a larger Hamper of goodies for sale on the day. Be creative, come and enjoy the auction and bag a bargain in time for that unusual Christmas gift.

We don't need anything now just complete this form to make your offer.
